

Code of Conduct for Management

- Act in the best interests of the Institution and in a manner to enhance and maintain the reputation of the Institute, and fulfil their fiduciary duties to the stakeholders.
- Act in good faith, with responsibility, due care, competence, diligence and independence.
- Treat the colleagues and other associates of the Institute with dignity and shall not harass any of them in any manner.
- Act honestly, fairly, ethically with integrity and loyalty and conduct in a professional, courteous and respectful manner.
