This college imparts quality education to rural and backward students to fashion them as ideal citizens. Mission aims at inculcating a sense of moral, social responsibility and national integrity among the students. Janiva -a distinctive practice of the institution creates a theory to serve the community through extension activities. It is the practice to impart and inculcate a sense of moral, social responsibility and national integrity among the students. The college is devoted to higher education in Arts Faculty. There have been effective ways of achieving the mission and the vision of the college to start an activity named 'Janiva – Dhyas Ek Parivartanacha'. The main objective of this distinctive activity of the college is to create social awareness in the students; to establish social integration in the society and to provide social consciousness in the students. Even during the hard times of the pandemic when the institution space became inaccessible and physical meetings were not possible the social outreach units adapted to the need of the hour and continued their services towards the society in all possible ways. Students and teachers of the college distributed free of cost facemasks and sanitizers in nearby villages such as Dhanora, Shekapur Bai, Gangapur, Khapari, Kutki, and Pohana. NSS volunteers and program officers guided the NGOs & social workers a lot for doing this job with great enthusiasm. Some facemasks were stitched by students; and some volunteers visited every house and guided people about cleaning hands and using masks and sanitizer with practical demonstrations. They also requested people to keep social distancing. Facemasks and sanitizer bottles were distributed at Dhanora in a wedding function and created awareness in masses to observe social distancing.
